YEAR 2000 (Y2K) CENTURY COMPLIANCE MODIFICATIONS TO BE MIGRATED TO PRODUCTION

Year 2000 (Y2K) century compliance modifications, made to the MAIN FACS software, will be migrated to Production on Saturday, May 31, 1997. On Sunday, June 1, 1997, an extra report cycle and a special batch run will be done. Below is a schedule of the weekend's batch runs:

Friday, May 30, 1997 Run normal batch cycle.

Sunday, June 1, 1997 Run report cycle (only requestable reports will be generated).

Sunday, June 1, 1997 Run complete batch cycle.

The requestable reports in RMDS from the May 30 batch run and the June 1 report cycle will have the same cycle number, but a different 'Run Date.' The complete batch cycle on June 1 will generate reports with an incremented cycle number. This complete batch cycle will generate both control reports and requestable reports.
